

Recursive structure of primes reloaded. Now with mod 2, too.*

Carolin Zöbelein[†]

March 20, 2016

Abstract.

Contents

1	Introduction	1
2	Road map	1

1 Introduction

In this working document I will make a revision of my work [1]. Now for mod 2 and not mod 6 which makes all so easy. Sometimes I'm so stupid. wtf!

2 Road map

Personal road map for this document:

1. A
2. B
3. C
4. ...
